

Plant Fitter

Location: Avonmouth, Bristol

Salary: TBC

Job Type: Full-time, Permanent

We are currently looking for an experienced **Plant Fitter** to join our team. This role involves maintaining, servicing, and repairing a range of plant machinery to ensure equipment remains safe, reliable, and operational.

This is a great opportunity for someone with strong mechanical knowledge who enjoys working with heavy machinery in a fast-paced environment.

Key Responsibilities

- Carry out routine servicing and preventative maintenance on plant machinery
- Diagnose mechanical, hydraulic, and electrical faults
- Repair and replace defective parts and components
- Respond to equipment breakdowns on-site and in the workshop
- Conduct safety inspections and ensure compliance with regulations
- Maintain accurate service records and documentation
- Test machinery following repairs to ensure performance and reliability

Requirements

- Proven experience as a Plant Fitter, Plant Mechanic, or Heavy Equipment Technician
- Strong knowledge of plant machinery and mechanical systems, experience with brands such as JCB, CAT, Volvo, Komatsu, etc.
- Ability to diagnose and repair faults efficiently
- Good problem-solving and troubleshooting skills
- Strong attention to detail and commitment to safety
- Full UK driving licence preferred

Desirable

- NVQ Level 2 or 3 in Plant Maintenance, Mechanical Engineering, or similar
- Experience working with machinery such as **excavators, dumpers, loaders, and other construction equipment**
- Welding or fabrication skills would be advantageous

What We Offer

- Competitive salary
- Opportunities for overtime

- Ongoing training and development
- Supportive team environment

If you are a skilled **Plant Fitter** looking for your next opportunity, we would love to hear from you.

Apply today to join our growing team.
